Bin Li

Age: 24   Gender: male

Email: anseek@pku.edu.cn   Phone: +86 17853141711

Education Background

Master：Peking University	**Major: Computer Science**	Sep, 2019--Jun, 2022

- GPA：3.12/4.0   Rank: 39/104

Undergraduate：Shandong University	**Major: Computational Mathematics**	Sep, 2015--Jun, 2019

- GPA：4.57/5.0   Rank：1/28
- Course：Mathematical Analysis, Advanced Algebra, Ordinary Differential Equations, Partial Differential Equations, Probability Theory, Mathematical Statistics, Complex Variable Functions, Real Variable Functions, Functional Analysis

Internships

Research intern in AMS data center of Shandong Institute of Advanced Technology	Jul, 2021--Dec, 2021

- Storage system and parallel file system research includes lustre and EOS.
- Summer camp in Shandong Institute of Advanced Technology.

Course development in Coduck Education Technology Ltd. China	Mar, 2021--Jun, 2021

- Developing National Olympiad in Informatics courses for middle school students.
- Holding Coduck Training Summer Camp.

Software engineer in Anseek Information Technology Ltd. China	Jun, 2020--Dec, 2020

- Developing news recommendation web application which can provide different educational information to different students. The programing language is javascript and python.

Competitions

Mathematical Modeling Contests

- Honorable Mention in Mathematical Contest in Modeling, America, 2018.
- Honorable Mention in Mathematical Contest in Modeling, America, 2017.
- The First Prize of Shandong Province in Mathematics Modeling Contest for college students, China, 2017

Mathematical Competitions

- The Third Prize of The 9th National Mathematics Competition for College Students, China, 2017.
- The Second Prize of The 8th Shandong Province College Student Mathematics Competition, China, 2017.
- The Second Prize of Shandong Province in Mathematical Olympiad for Middle School Students, 2014.

Scholarships&Honors

Scholarships

- National Scholarship, China, 2018
- The First Prize Scholarship, Shandong University, 2018
- The First Prize Scholarship, Shandong University, 2017

Honors

- Merit Student, Peking University, 2020.
- Merit Student, Shandong University, 2018.
- Excellent Student Cadre, Shandong University, 2018.
- Merit Student, Shandong University, 2017.
- Excellent League Member, Shandong University, 2016.

- Programming language: C, C++, Python, Javascript
- English: GRE 318
