Bin Li

Age: 25   Gender: male

Email: anseek@pku.edu.cn   Phone: +86 17853141711

Education Background

Master：Peking University   **Major: Computer Science**   Sep, 2019--Jun, 2022
- GPA：3.32/4.0   Rank: 39/104
- Course： Operation System & Virtualization Security, Advanced Operation System, Cloud Computing, Technology of Web Software Development, Software Architecture and Design.

Undergraduate：Shandong University   **Major: Computational Mathematics**   Sep, 2015--Jun, 2019
- GPA：4.57/5.0   Rank：1/28
- Course： Mathematical Analysis, Advanced Algebra, Ordinary Differential Equations, Partial Differential Equations, Probability Theory, Mathematical Statistics, Complex Variable Functions, Real Variable Functions, Functional Analysis.

Internships & Startups

Engineer in AMS data center of Shandong Institute of Advanced Technology   Jul, 2021--now
- Storage system and parallel file system research includes Lustre and EOS.
- Information system development for AMS data center.

Course development teacher in Coduck Education Technology Ltd. China   Mar, 2021--Jun, 2021
- Developing National Olympiad in Informatics courses for middle school students.
- Planning and holding Coduck Training Summer Camp.

Co-founder and manager in Anseek Information Technology Ltd. China   Mar, 2020--Jan, 2021
- Managing the contents team to produce passages and videos for company.
- Developing news recommendation application which provides educational information to students.

Competitions

Mathematical Modeling Contests
- Honorable Mention in Mathematical Contest in Modeling, America, 2018.
- Honorable Mention in Mathematical Contest in Modeling, America, 2017.
- The First Prize of Shandong Province in Mathematics Modeling Contest for college students, China, 2017

Mathematical Competitions
- The Third Prize of The 9th National Mathematics Competition for College Students, China, 2017.
- The Second Prize of The 8th Shandong Province College Student Mathematics Competition, China, 2017.
- The Second Prize of Shandong Province in Mathematical Olympiad for Middle School Students, 2014.

Scholarships&Honors

Scholarships
- National Scholarship, China, 2018
- The First Prize Scholarship, Shandong University, 2018
- The First Prize Scholarship, Shandong University, 2017

Honors
- Merit Student, Peking University, 2020.
- Merit Student, Shandong University, 2018.
- Excellent Student Cadre, Shandong University, 2018.
- Merit Student, Shandong University, 2017.
- Excellent League Member, Shandong University, 2016.

- Programming language: C, C++, Python, Javascript
- English: IELTS 6.5
